Fin. Modelling & IB

The Wall Street School / 2017

BE, Mechanical Engineering

IIST Shibpur / 2012

Agentic AI (Primer)

Vanderbilt / Coursera / 2026

Sanu Dutta

Senior Infrastructure & Project Finance Financial Modeller

Financial Modelling & Automation Specialist

PROFILE

Financial modelling automation specialist with 13 years of infrastructure, PPP and project finance experience, including Big-4 tenure at EY and KPMG. Built 100+ financial models across international engagements and multiple VBA automation engines that cut delivery time and improve accuracy - a reusable valuation engine (saves 3-4 man-days), a consolidation tool (-40% review time), and a guided PPA tool (build time cut to 1-2 hours). Now extending into Python and agentic-AI workflows.

EXPERIENCE

Associate Manager, Infrastructure Advisory

Mar 2021 - Present

EY, Gurgaon

- Primary modelling lead across 40+ international engagements (UK, EU, MENA, Australia, China, Italy) for authorities, developers, lenders and infra funds.
- Built a reusable VBA valuation engine (saves 3-4 man-days) and a consolidation/error-check tool (-40% review time), adopted team-wide.
- Led modelling for a 160-vessel Middle East restructuring and a EUR 600m-1bn German CRE portfolio (23 assets); EY Italy secondment for buy-side M&A.

Consultant, Deal Advisory (incl. Hong Kong secondment)

Apr 2018 - Mar 2021

KPMG, Gurgaon / Hong Kong

- Built the House of Justice DBFOM PPP model (USD 300-500m+; availability payment; IFRIC 12) and the 1,000 MW solar PPA bid model (~USD 750m; client shortlisted).
- Built the FIFA World Cup 2022 smart-parking PPP concession model, Doha (USD 150-300m+), with live on-site bid support.
- HK secondment: automated VBA Purchase Price Allocation tool (IFRS 3) - build time cut to 1-2 hours; adopted across Deal Advisory.

Techno-Economic Viability Analyst

Nov 2017 - Apr 2018

Resurgent India Ltd, Gurgaon

- Independent financial model audits for project loan appraisals - IRR, DSCR, payback and breakeven feasibility across infrastructure and manufacturing.

Consultant

Aug 2012 - Mar 2016

M. N. Dastur & Co. (P) Ltd., Kolkata

- Built financial models for steel and hospitality projects - NPV, IRR and techno-economic feasibility from an investor perspective.
- Capital-budgeting models for expansion projects supporting lender audits and funding syndication, incl. Tata Steel CRM BARA Phase II.
